

"Pony" Steel's Spring & house was located almost due west from the Gravel Hotel.

A lone large cedar tree marks the old home site.

The Spring ~~was~~ almost due north on the hill from the Pony Steel home.

"Pony" Steel had about 30 second feet of water which combined Press River water & his spring water & put it in a \_\_\_\_\_ inch pipe running it over the hill top on the ~~west~~ north wall of Pross Canyon & into \_\_\_\_\_
